Dear Parents:

Danbury ISD's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called MyNutrikids.com. Parents will also have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

To access these services:

1. Simply go to the district web site at [www.danburyisd.org](http://www.danburyisd.org).
2. Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name, student ID number and school ZIP code. The instructions listed below will guide you through the easy online account set up process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through an existing PayPal account or with a major credit or debit card only. The minimum prepayment amount is \$10.00 per prepay transaction (total sum of prepayments for all of your listed children in a single transaction).
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is 3.5% of total dollar amount deposited plus a \$0.30 transaction fee. Danbury ISD will not profit from the use of this site.

We are very excited to offer these new services; however, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via check, which should be made payable to Danbury ISD Food Service. Please write your **child's full name** on the check.

If you have any questions about these new services, please feel free to contact me office at 979-922-8787.
