

WORKERS' COMPENSATION AND TRS MEMBERS

Please be aware that while absent from work, a district paycheck is not issued (unless you are using all or a portion of your accumulated sick leave, vacation days and/or compensatory time) and no funds and/or contributions are sent to the Texas Teacher Retirement System (TRS), nor are days of absence being counted towards years of service with TRS.

Therefore, in order to be considered for service credit and/or salary credit; you must contact TRS at 800-223-8778 and arrange to make contributions to your retirement annuity fund. You will need to request TRS Form TRS 22W. This form can be found on the TRS Web Site: www.trs.state.tx.us
